DSL EXPANSION ANNOUNCED

In case you haven't heard ... KDSI now has DSL available in St. Paul, St. Libory, Fullerton, Silver Creek and Farwell, Nebraska!

We're trying hard to get the word out, but the best marketing strategy is "word of mouth" by satisfied customers. Refer someone to KDSI, and ask them to mention your name on their application. We'll credit your account \$10. It's that simple.

This offer applies to ANY of our service areas. So, if you're not sure of where we provide service, visit www.kdsi.net Check often though, because we are continuously expanding! Coming soon Loup City, Wood River, Elm Creek and Cairo, Nebraska.

EXCITING WEB HOSTING NEWS FROM KDSI

The KDSI Network Team recently upgraded the Apache web server to a dual-core 3.2 Ghz Pentium 4 with 4 GB of RAM and a RAID-5 storage array. This machine is Linux based. The new state-of-the-art web server is connected to the Internet by a full DS3 circuit on a redundant fiber loop.

Web Hosting Features:

- Plesk 8 Control Panel
- PHP version 4.3.9, MySQL version 4.1.20
- MS FrontPage Hosting
- Comprehensive, Graphical Web Statistics
- Optional Dedicated SSL Certificates
- Persistent Backups
- POP3/IMAP Email Accounts with optional SpamAssassin (v3.0.5) Spam Filtering

As always, we are pleased to provide MORE without increasing our monthly rates. Thank you for choosing KDSI as your hosting provider.

NEW AND IMPROVED www.kdsi.net

TODAY we are launching a new KDSI web site. We have completely simplified the entire navigation process and introduced new features to create a positive online experience for our existing and prospective customers. Some of the highlights include:

Security Center: For ALL of your essential security needs, visit our NEW online Security Center. From FREE Anti-Virus to Anti-Spy Ware, to firewall software, to a FREE online virus scan, it's all available with a click-of-the-mouse.

NEW and IMPROVED Frequently Asked Questions: Our highest priority is customer satisfaction, and our friendly "Net" experts are here to help you as much as possible. BUT, at times it may be easier to visit our web site and click on the 'Help' button conveniently located at the top of the page. Here you will find an entire library of helpful, frequently asked questions.

My KDSI Account: This exclusive KDSI Customer Service page allows you to request a FREE personal web page, check web based email, monitor dial-up usage, check billing information, plus much, much more. We will be adding more new features soon ... so, CHECK BACK OFTEN!

WebMail: You can check your KDSI email anytime, anywhere, from ANY computer that has access to the Internet. Just log into www.mykdsi.net with your User Name and Password, and you can check your email.

In the next few weeks, expect to see even more exciting changes as we continue to add new features and Internet product specials. We are confident we've created a site you will find comprehensive, yet remarkably easy to use and understand.
